

THE
MURPH WILLOWS
*Funk
Extravaganza*

A musician in a dark suit is shown from the side, playing a gold saxophone. The background is a vibrant sunset with orange and yellow hues, silhouetted palm trees, and a dark horizon. The overall mood is tropical and musical.

West Coast Tour 2026

Please enjoy this “Fun Size” itinerary as a tiny sample of the work that we do. We strive to make the process as smooth and efficient as possible while meeting tight deadlines. Many of the worlds top touring artists have relied on our itineraries to help navigate around the globe.

We offer three different options to choose from:

Modular	Semi-Custom	Fully Custom
Our modular templates allow you to enter all touring information yourself and we take care of the rest!	We can adjust any of our modular templates to include extra data you might need to display.	Need custom layouts and information? No problem.
Best for anybody looking for an economical option for PDF or printed tour itineraries	Best for medium size tours with extra logistics that don't fit within our modular option	Best for large tours with multiple stages and crews traveling within different cities

If you are interested in learning more about our tour itinerary options visit cubepasses.com/itineraries, contact your sales rep, or email us at itineraries@cubepasses.com.

Sincerely,

Murph “El Jefe” Willows
